— THE ALBUM STORY —
WRITTEN WITH LIVE PERFORMANCE IN MIND

YACHT-ROCK ENERGY “BOYS ARE FUN”

Sun-drenched, breezy, carefree.
Inspired by 70s West Coast sailing rock —
smooth harmonies, laid-back groove,
good friends and good times. Think soft keys,
groovy guitar, summer nights on the water,
playful choruses made for singalongs live.

CELTIC INFLUENCE “DIE IF I DON’T”

Roots in Irish folk tradition.
Uilleann pipes & fiddle-inspired strings
A heartfelt, passionate anthem built for live
energy — raw, emotional, and anthemic.

COLLABORATORS

Written with Julian Bunetta & John Ryan
Crafted together in studio sessions, blending
pop instinct with organic live instrumentation
to bring warmth and authenticity to
every track.

* THE SPARK: * A DINNER PARTY INSPIRATION

It all began over candlelit conversation
& shared wine at a dinner party.

Meeting his girlfriend Amelia Woolley sparked the idea —
a night of laughter, stories, and connection
became the heart of this record.

— WRITTEN FOR THE LIVE STAGE —
EVERY SONG DESIGNED TO BE SHARED TOGETHER, CROWD VOICES, GUITARS, HANDCLAPS
